

Remarks

The Notice to File Missing Parts states that page 2 of the specification appears to have been omitted. Applicant did not omit page 2; Applicant misnumbered the pages and the amendment to the page numbers resolves this error.

In the event that additional fees are required to accomplish this filing, authorization is hereby given to charge Deposit Account No. 23-2820 for any such required fees, and this letter shall be considered the petition therefor.

Respectfully submitted,
